

DataMerchant Notice

Effective immediately, Cognos has assigned the responsibility for both current support and for the future development of DataMerchant to one of our trusted partners, Prism Resources, Inc. (<http://www.prismrsc.com>). All support calls should be made through Prism technical support, at: (402) 330-8320 ext. 118. All future communications regarding support and development relating to DataMerchant will emanate from Prism.

Prism is based in Omaha, Nebraska, and is a leading developer of information commerce solutions. Prism offers a full range of strategic consulting services and solutions focused on implementing a successful business-to-business Internet Information Commerce strategy.

We are pleased to have found a partner with such deep experience and commitment to the information commerce marketplace and are confident that Prism will be your strategic partner, supporting the full range of your information commerce needs.

For additional information, please contact Rick Gregg, the CEO of Prism Resources, at mrick.gregg@prismrsc.com or (402) 330.8320 ext. 111.
