

Wiki terms of use

Terms and conditions

BY ACCESSING, BROWSING AND/OR USING THIS WIKI (THE "WIKI"), YOU ACKNOWLEDGE THAT YOU HAVE READ, UNDERSTOOD, AND AGREE, TO BE BOUND BY THESE TERMS AND TO COMPLY WITH ALL APPLICABLE LAWS AND REGULATIONS, INCLUDING EXPORT AND RE-EXPORT CONTROL LAWS AND REGULATIONS. IF YOU DO NOT AGREE TO THESE TERMS, DO NOT USE THE WIKI. YOUR FAILURE TO COMPLY WITH THE TERMS, CONDITIONS, AND NOTICES ON THE WIKI WILL RESULT IN AUTOMATIC TERMINATION OF ANY RIGHTS GRANTED TO YOU, WITHOUT PRIOR NOTICE.

IBM may at any time without notice revise these terms by updating this posting. By using the Wiki, you agree to be bound by any such revisions and should therefore periodically visit this page to determine the then current terms to which you are bound.

The Wiki is an online open-content collaborative feedback portal made available by IBM. Unlike the structure of many Wikis, this project does not allow visitors to alter all original content provided by IBM ("IBM Content"). Instead, feedback and comments ("Feedback," and together with the IBM Content, the "Content") are welcomed and may be viewable by others accessing the Wiki. Even so, please be advised that IBM has not necessarily reviewed the Feedback found in the Wiki and the Feedback provided may not be complete, accurate or reliable information. IBM assumes no responsibility (and expressly disclaims responsibility) for updating the Wiki to keep information current or to ensure the accuracy or completeness of any posted information.

In addition, the Content may include software, text and/or speech files, code, associated materials, media and/or documentation provided by IBM or third parties. IBM Content is owned by IBM and is copyrighted and licensed, not sold. Third party Content is owned by its respective owner. IBM's decision to permit posting of third party Content does not constitute a recommendation or endorsement by IBM of any particular product, service, company or technology.

IBM does not guarantee the validity of the information found here at all times. The content of any given comment may recently have been changed, vandalized or altered by someone whose opinion does not correspond with the state of knowledge in the relevant fields. The Content may contain technical inaccuracies or typographical errors and may be changed, improved or updated without notice. *Use of the Wiki and its Content is at your own risk.

Please be aware that IBM does not grant any rights or licenses to any copyrights, patents, trademarks, or any other intellectual property rights, except as otherwise expressly stated for the Content. All rights not expressly granted under this agreement are reserved.

IBM grants you non-exclusive, non-transferable, limited permission to access and display the pages within the Wiki, solely on your computer and for your personal non-commercial use of the Wiki. If you use or reference Content from the Wiki, such Content is not provided as "public domain."

You may not mirror any of the Content from this site on another Web site or in any other media.

Product plans or plans concerning Content referenced on the Wiki may change at any time at IBM's sole discretion based on market opportunities or other

factors, and are not intended to be a commitment to future product or Content availability in any way. All statements regarding IBM future direction or intent are subject to change or withdrawal without notice and represent goals and objectives only.

No Formal Review

IBM provides no assurances that any reported problems may be resolved with the use of the Wiki or any Content. In addition, the Wiki is not uniformly reviewed; while readers may correct errors or engage in casual peer review, IBM has no legal duty to do so and thus all Content is PROVIDED "AS-IS". SUBJECT TO STATUTORY WARRANTIES, IF ANY, THAT CANNOT BE EXCLUDED, IBM, ITS DEVELOPERS AND SUPPLIERS MAKE NO WARRANTIES, REPRESENTATIONS, GUARANTEES OR CONDITIONS OF ANY KIND, WHETHER EXPRESS, IMPLIED OR STATUTORY, INCLUDING BUT NOT LIMITED TO, THE WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, TITLE AND NON-INFRINGEMENT. WITHOUT LIMITATION, IBM MAKES NO WARRANTY OR GUARANTEE THAT THE WIKI OR THIS WEB SITE WILL BE UNINTERRUPTED, TIMELY, SECURE OR ERROR-FREE. Even documentation that has been vetted by informal peer review processes may later have been edited inappropriately, just before you view them.

Nothing contained in the Wiki is intended to, nor shall have the effect of, creating any warranties or representations from IBM (or its suppliers or licensors), or altering the terms and conditions of the applicable license agreement governing the use of IBM software.

None of the contributors, sponsors, administrators, or anyone else connected with IBM in any way whatsoever will be responsible for the appearance of any inaccurate or libelous information or for your use of the information contained in or linked from this Web site.

IN NO EVENT WILL IBM BE LIABLE TO ANY PARTY FOR ANY DIRECT, INDIRECT, SPECIAL CONSEQUENTIAL OR OTHER DAMAGES OF ANY TYPE FOR ANY USE OF THE WIKI, WEB SITE OR CONTENT, OR FOR ANY OTHER HYPER LINKED WEB SITE AND ITS CONTENT, INCLUDING, WITHOUT LIMITATION, ANY LOST PROFITS, BUSINESS INTERRUPTION, LOSS OF PROGRAMS OR OTHER DATA ON YOUR INFORMATION HANDLING SYSTEM OR OTHERWISE, EVEN IF IBM IS EXPRESSLY ADVISED OF OR AWARE OF THE POSSIBILITY OF SUCH DAMAGES OR LOSSES. THIS EXCLUSION AND WAIVER OF LIABILITY APPLIES TO ALL CAUSES OF ACTION, WHETHER BASED ON CONTRACT, WARRANTY, TORT, OR ANY OTHER LEGAL THEORIES.

Conduct

You may not use the Wiki to communicate in any manner any unlawful or inappropriate information or materials, including without limitation anything that is threatening, libelous, defamatory, obscene, inflammatory, pornographic or profane. IBM may investigate complaints or violations of these Terms of Use and, notwithstanding any other terms or policies, it may take any action it deems appropriate including, without limitation, disclosing any information to enforcement agencies or others. In addition, IBM reserves the right to pursue all remedies available for such violations, and may revoke access to the Wiki at any time.

License to Your Contributions

By uploading, submitting or otherwise making available or contributing to IBM or the Wiki any Content, you grant IBM an unrestricted, worldwide, non-exclusive, irrevocable, perpetual, royalty-free, fully paid up, license to use, make, have made, reproduce, display, perform, publish, upload, post, modify, create

derivative works from, transmit, distribute, sell, offer for sale and sub license or otherwise transfer those materials or information or their modifications, and to authorize third parties to do any, some or all of the foregoing including, but not limited to, sub licensing others to do any some or all of the foregoing indefinitely. You represent and warrant that you have sufficient rights in those materials or information to grant these rights and licenses. You also agree that IBM and its sub-licensees as described above are free to use any ideas, concepts, know-how or techniques that you send us for any purpose.

Further, you hereby give permission to IBM to release your name or otherwise publicize the fact that you submitted materials or other information to us, and IBM may do so without the need of further notice to you.

Notwithstanding any other terms in this agreement, IBM is under no obligation to use, post or upload any contribution you make to the Wiki or otherwise, and IBM may remove any posting or upload you make at IBM's sole discretion.

No Confidential Information

IBM does not want to receive confidential or proprietary information or material from you through the Wiki. Information that you submit to IBM or the Wiki may be posted publicly without notice to you. Please note that any information or material sent to IBM or the Wiki will be deemed not to be confidential.

Unless otherwise stated in this agreement, personally-identifiable information that you submit to IBM in the Wiki or otherwise will be handled in accordance with our privacy policies. Please click here for information regarding IBM's privacy policies. If you request something from the Wiki, we will use the information you provide to fulfill your request. To help us do this, we may share information, with others, for instance, other parts of IBM, IBM's Business Partners, financial institutions, shipping companies, postal or government authorities (for example, Customs authorities) involved in fulfillment.

You agree to allow IBM and its subsidiaries to store and use your business contact information, including names, business phone numbers, and business e-mail addresses, anywhere they do business. Such information will be processed and used in connection with our business relationship which will include using your information for marketing, research, and other purposes; and may be provided to contractors acting on IBM's behalf, IBM Business Partners who promote, market, and support certain IBM products and services, and assignees of IBM and its subsidiaries, for uses consistent with such business relationship. You agree that we may use your information to send you information about IBM and others' products and services, including by email.

General

All trademarks or logos presented on the Wiki are and remain the property of IBM. No licenses or other rights in or to such trademarks or logos are granted. The Wiki may contain other proprietary notices and copyright information, the terms of which must be observed and followed.

If you link to the Wiki, the link and pages that are activated by the link must not: (a) create frames around any page on the Wiki or use other techniques that alter in any way the visual presentation or appearance of any content within this site; (b) misrepresent your relationship with IBM; (c) imply that IBM approves or endorses you, your web site, or your service or product offerings;

or (d) present false or misleading impressions about IBM or otherwise damage the goodwill associated with the IBM name or trademarks. Any other links to the Wiki must be approved in writing by IBM. As a further condition to being permitted to link to the Wiki, you agree that IBM may at any time, in its sole discretion, terminate permission to link to this Web site. In such event, you agree to immediately remove all links to this Web site and to cease using any IBM trademark.

Jurisdiction and Legality of Content

Laws in your country or jurisdiction may not protect or allow the same kinds of speech or distribution. IBM and the Wiki do not encourage the violation of any laws, and IBM is not responsible for any violations of such laws, should you link to this domain or use, reproduce, or republish the information contained herein. This agreement is governed by the laws of the State of New York and the intellectual property laws of the United States of America, without regard to conflict of law principles. No party to this agreement may bring a legal action under agreement more than one year after the cause of action arose. Each party waives its rights to a jury trial in any resulting litigation.
